

# PROFESSIONAL MEMBER

NALMCO Professional Members may include landlords, energy managers, lighting efficiency professionals, auditors, architects, IT professionals or governmental agencies, utilities or property management firms with the responsibility for energy and lighting. This membership category is for individuals, not companies, who do not otherwise qualify for General or Associate membership.

**Application must be submitted and approved by the Membership Committee. Once approved, NALMCO staff will contact applicant for dues payment.**

Professional Members receive *LM&M* magazine, are listed in the online membership directory and receive member pricing for NALMCO certifications and event attendance.

Professional Members are not eligible to vote or to be elected to or appointed to hold office on the NALMCO board of directors. Professional Members may serve on NALMCO committees
